

Disabilities Services Request for Accommodation, Auxiliary Aids, and/or Services

This form is considered an official request for consideration of reasonable accommodations and should be submitted to the Disabilities Services Officer at least ten (10) business days before the beginning of the academic semester in which the accommodations are needed or as soon as the need arises. Documentation of the disability supporting the request for accommodations must also be submitted. Return by mail, fax, or email as an attachment to Norm Stephenson, Disability Services Officer (DSO), Western Nebraska Community College, 1601 East 27th Street, Scottsbluff, NE 69361; fax 308.635.6023, email *stephens@wncc.edu*.

You must request accommodations **for each** semester that they are needed. Returning students with an Initial Request for Accommodations on file in the Disabilities Services Office will need to make an appointment with the DSO to discuss current needs.

To qualify for accommodation under the Americans with Disabilities Act (ADA), an individual must be a person who has a physical or mental impairment that significantly limits or restricts a major life activity such as hearing, seeing, speaking, walking, breathing, performing manual tasks, caring for oneself, learning, and/or working. An individual with a disability must also be able to meet the requisite technical and academic standards, considered "otherwise qualified," to be admitted to the WNCC programs of study.
