Reports and Recommendations from the Board Finance and Operations Committee

WNCC Annual Audits

Financial

Ms. Lynne Koski, Vice President of Administrative Services reported the financial audit is required by state statute to be completed by an independent auditor. The audit is conducted in accordance with auditing standards accepted in the United States and government account auditing standards. The College audit is conducted by Dana F. Cole and Company, LLP.

One of the most important questions asked about the College's finances is, "is Western Community College Area, as a whole, better off as a result of the year's activities?" The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report information on the College as a whole and on its activities to help answer this question. Over time, increases or decreases in the College's net position are an indicator of whether financial health is improving or deteriorating.

Another way to assess the financial health of the College is to look at the Statement of Cash Flows. The purpose of the Statement of Cash Flows is to provide relevant information about cash receipts and cash payments made by the College during a fiscal year. The statement also helps users assess the College's ability to generate future net cash flows, meet its obligations when due and the need for external financing.

The second piece of the audit is specific to internal controls over financial reporting, which is assessing whether the college has appropriate internal controls in place. The final piece of the audit is compliance with major federal programs and internal controls over those programs.

In conclusion, it was the opinion of the auditors that the financial statements referred to in the Financial Audit Report present fairly, in all material respects, the respective financial position of the business-type activities and the discretely presented component unit of Western Community College Area, as of June 30, 2024 and 2023, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Ms. Koski stated it takes a lot of people to get to this point, not just the business office staff, but other departments around campus, financial aid and all those involved. Ms. Koski expressed appreciation for an excellent audit report.

Mr. Savely MOVED to accept the June 30, 2024, and 2023 Financial Auditor's Report. SECONDED by Ms. Liggett. The vote was, Yes: Richards, Savely, Schmidt, Guzman-Gonzales, Kreman, Lehl, Liggett, Packard, Stinner. No: None. Abstain: None. Absent: None. Motion carried.

WNCC Annual Audits

FTE (full-time equivalent)

Dana F. Cole and Company conducted the FTE audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Government Auditing Standards, issued by the Comptroller General of the United States. The auditor's opinion states that the enrollment statements referred to present

WNCC Annual Audits (cont.)

FTE (full-time equivalent)

fairly in all material respects, the reimbursable full-time equivalent student enrollment and reimbursable educational units consisting of only courses listed on the Master Course List of Western Community College Area, as of June 30, 2024, and 2023, in accordance with Nebraska Community College Annual State Aid Enrollment Audit Guidelines and Process.

Mr. Arich Knaub, Enrollment Research Analytics Director, explained an FTE is equivalent to thirty semester or forty-five quarter credit hours of classroom, laboratory, clinical, practicum, independent study course work or cooperative work experience applicable to a degree, diploma, or certificate in a program for which credit hours are offered or nine hundred contact hours of classroom or laboratory course work for which credit hours are not offered or awarded.

A dual enrollment course is a course delivered to high school students for whom credit shall be reported on the student's postsecondary educational institution transcript. FTE calculation is the number of credit hours earned by the students divided by thirty.

REUs are calculated by multiplying eligible FTEs by the appropriate weighting factor as defined for each type of course offering as follows:

<u>Course Type §85-1503</u>	<u>Factor</u>
Academic Transfer	1.00
Academic Support	1.00
Class 1 Applied Tech/Occupational	1.50
Class 2 Applied Tech/Occupational	2.00

Each course has an REU (reimbursable educational unit) attached. Three different levels are factored when calculating FTE. One is academic with a 1.0 factor, which is standard for courses such as Biology, Math, Science and English, etc. A 1.5 factor course requires some specialized equipment for the classroom which could be Surg Tech, Phlebotomy, etc. The 2.0 factor requires larger equipment and a larger expenditure from the College to provide that education in programs such as powerline, aviation and CDL.

Comparing the last academic year 2023- 2024, to the previous academic year, the College FTE was down slightly. That is in accordance with being down in enrollment over that same period. Looking ahead, because about half of this academic year is complete, FTE will be slightly higher this year.

Mr. Knaub mentioned the Coordinating Commission, particularly the Governor's office, is putting a larger emphasis on dual enrollment. When looking at dual enrollment, which is any student that is a high school student taking courses at WNCC, not necessarily taking it for dual credits, but enrolled in both institutions. Currently, dual enrollment makes up about a fifth of the College's FTE.

In response to an inquiry regarding students who do not complete a course, Mr. Knaub explained according to the Coordinating Commission for Postsecondary Education, if a student is enrolled in a course and pays any amount of tuition for the course, even if they withdraw three weeks into the semester and pay a partial tuition rate, they are still eligible to be counted. Dual credit enrollment courses offered at the high schools is counted as well and those students can be tracked.

FTE (full-time equivalent)

Mr. Savely MOVED to accept the June 30, 2024 and 2023 Statement of Reimbursable Full-Time Equivalent Student Enrollment and Reimbursable Educational Units (REU) audit. SECONDED by Ms. Lehl. The vote was, Yes: Savely, Schmidt, Guzman-Gonzales, Kreman, Lehl, Liggett, Packard, Richards, Stinner. No: None. Abstain: None. Absent: None. Motion carried.

INSTITUTIONAL REPORTS

PTK College Project

Due to a last-minute conflict, this item was delayed until the February Board meeting.

Student Report

Mr. Charles Oguoma reported a Cougar Council student government representative attended the student orientation to welcome new students to WNCC. Students were encouraged to engage more by participating in various opportunities available on the campus. The activities are part of the Cougar Council's efforts to increase student presence and engagement.

Club activities are yet to commence so the Council is currently working to foster relationships with the Alliance and Sidney campuses. The hope is more representatives from those campuses will zoom into the sessions. Mr. Oguoma introduced a bi-weekly check-in for those campus representatives to better understand their plights and provide better representation.

Faculty Report

Ms. Carrie Howton and Mr. Brian Croft

Mr. Croft reported faculty are awaiting enrollment numbers to see where they land this semester. This is a tricky time for students, finding the right session and the right classroom can be challenging, but faculty is anticipating a good semester.

Instructor Stacy Wilson emailed a reminder about the global studies program she has organized for many years. Past trips included Mexico, Costa Rica, Ecuador, and Peru with a trip to Spain planned for this spring. The trips are made possible through student travel funds and the Foundation. In response to an inquiry, Mr. Croft confirmed that community members are welcome to participate.

Nebraska Community College Association - 2024 NCCA Annual Meeting Overview

Ms. Lehl reported the first quarter NCCA Board meeting is scheduled for January 31, 2025, in Lincoln, so a report will be shared at the February Board meeting.

Chair Stinner reported the Legislature is in session, so a report regarding the bills will be provided at the February Board meeting. Recently, a bill was dropped to make a ten-million-dollar request for permanent financing of dual credit. That request is in addition to the approximately seven million dollars that was designated for dual credit under ARPA funding.

Feedback from lobbyists is to talk to Board members because appropriations are going to be tight. Death by fiscal note kind of came back into the vernacular of the legislature. This decision is important for WNCC. Dual credit has not only increased our enrollment numbers, but also helped create that relationship with high schools that we desperately needed.

Western Nebraska Community College Foundation

Ms. Jennifer Reisig, Foundation Executive Director, reported the Foundation staff are currently working on scholarships for next year. Alena Haun, the Foundation Development Director works very closely with donors and financial aid to identify where the scholarships are needed. Ms. Haun also works to find donors to cover those scholarships and works with the contributors who request specific donation areas.

Billing has been done earlier, so students receive the scholarships earlier. The goal is to get the scholarships to the students earlier so they can accept them before the high schools are out of session. The high schools announce where those students are going so other students will see their friends are receiving a scholarship to WNCC and attending WNCC, which can be beneficial. Ms. Reisig thanked the financial aid and business offices who supported that effort.

Three years ago, Ms. Haun began scheduling a scholarship lunch. The lunch has been a special celebration for donors and students who are receiving scholarships. This year the event is scheduled for March 7, 2025, at noon in the Harms Center Plex. Each Board member will receive an invitation to the lunch and RSVPs are required.

President Comments

Following this meeting, President Dart mentioned a farewell reception has been scheduled for four individuals who have meant a lot to the Board and to this institution, Board members Karen Anderson and Lynne Klemke, College attorney, Phil Kelly, and Associate Vice President of Human Resources, Kathy Ault.

Last week a Topping Out ceremony was held at the Harms Center. Employees and community members had an opportunity to sign the final beam for the outdoor structure before it was put in place. Currently, most of the construction is inside the building. The project is on budget and on schedule and will take about ten to eleven months to complete.

Projects on the Sidney and Alliance campuses are also on schedule. Those projects include an engine start room at the aviation facility in Sidney and new classrooms at the powerline facility in Alliance.

Governor Pillen will be on the Sidney campus tomorrow to attend meetings and a public forum. Several people will be in attendance.

January 30, 2025, the Nebraska Business Hall of Fame will be inducting their new class, which includes our Board Chairman, John Stinner.

In response to an inquiry regarding land an individual would like to sell to the College, President Dart reported the College is working to obtain a broker's opinion. This is not a full appraisal, but a broker's opinion, which is about the value of the land. The broker's opinion should be available this week. The owner of the land was notified the College could not meet the January first deadline, but by the end of the month, information should be available.

Board Member Comments

Board members thanked Chair Stinner for leading the meeting today and even though it was his first meeting, he did exceptionally well.

Executive Session - 2025-2026 Collective Bargaining

Ms. Guzman-Gonzales MOVED, pursuant to Section 84-1410 of the Reissue of the Revised Statutes, known as the Nebraska Public Meetings Law, that the Board hold a closed session with College Attorneys, Mr. Jason Ossian and Mr. Jerry Ostdiek, President Greg Dart, Board Secretary Ms. Susan Verbeck, and Vice President of Administrative Services, Ms. Lynne Koski for the purpose of discussion of the 2025 – 2026 Collective Bargaining. She further moved that this closed session is clearly necessary for the protection of the public interest and for the prevention of needless injury to the reputation of an individual(s) and that strategy sessions with respect to collective bargaining are specifically authorized by the Nebraska Public Meetings Law. Seconded by Ms. Richards. The vote was, Yes: Schmidt, Guzman-Gonzales, Kreman, Lehl, Liggett, Packard, Richards, Savely, Stinner. No: None. Abstain: None. Absent: None. Motion carried.

Chair Stinner stated the purpose of the Executive Session is discussion of 2025 – 2026 Collective Bargaining.

The Board of Governors and those so named in the motion adjourned to an Executive Session at 1:38 p.m.

The Executive Session ended at 2:06 p.m.
