

**CONTINUATION OF FUNDING (MAX) APPEAL**

---

◆ Federal and state financial aid is intended to assist students in making successful progress toward completing an eligible degree, diploma or certificate. Therefore, the STUDENT bears the responsibility of demonstrating progress toward that goal. Determination of Satisfactory Academic Progress (SAP) is based on **cumulative attempted hours** and takes into account the student's *full* WNCC academic record *regardless of whether the student received financial aid funds during previous periods of enrollment*. The Financial Aid Office is also required to look at all previous periods of enrollment, including dual credit classes taken while in high school no matter how long ago the student was enrolled. Official transcripts from all previous institutions attended must be submitted to the WNCC Registrar prior to disbursement of Federal aid to determine credits for the maximum timeframe calculation. Satisfactory progress is evaluated at the end of every semester.

---

In compliance with federal financial aid regulations and WNCC policies, a student is ineligible to receive federal financial aid, including student loans, if he/she meets any one of the following conditions:

- **SUSPENSION:** Failed to successfully complete at least 70% of overall credit hours attempted and/or failed to achieve a minimum 2.0 cumulative grade point average (GPA).
- **MAX:** Attempted more than 150% of the credit hours required for completion of chosen degree program, **INCLUDING TRANSFER HOURS**.

A student who experienced extenuating circumstances that created the suspension (usually something beyond the student's control) may petition for reinstatement of eligibility by completing the procedure outlined below. **There is a limit of appeals allowed; further appeals will be accepted at the discretion of the Appeal Committee and only if the criteria established in the academic plan and the agreement conditions are met.**

Appeals should be submitted as soon as possible following notification of suspension, but **NO LATER THAN MID-TERM OF THE SEMESTER FOR WHICH THE STUDENT IS REQUESTING AID.**

**Step Two: Personal Statement**

Give a detailed statement explaining why you believe the Appeal Committee should grant your request for continuation of financial aid. Explain WHY you have exceeded 150% of the credit hours needed to complete your program of study and WHY you need additional hours to graduate. If you already have a degree, explain why you are returning to school. Although your reasons may be intensely personal and difficult to share, the Committee requires explanation in order to make an informed decision based on the merit of your claims for appeal. **Your appeal application will remain confidential.** You need to be specific, provide clear detail and supporting documentation if it substantiates your explanation. You may attach a separate sheet as long as each item is addressed and it is signed and dated.

- What factors or circumstances have affected your academic performance? Include explanations for receiving deficient grades and/or reason for a cumulative GPA below 2.0 if unsuccessfully attempted hours contributed to your exceeding the maximum time frame. Also explain any circumstances that may have contributed to your withdrawing from classes, or changing degree programs/majors.

Advisors may also submit statements directly to the Financial Aid office or via email at [financialaid@wncc.edu](mailto:financialaid@wncc.edu).**

**Advisor:** Please detail why the student should or should not have his/her financial aid reinstated. What educational goals can be successfully achieved by the student? What is the timeframe for the student's completion? Has the student overcome obstacles he/she may have previously faced? Does the student have an understanding of a clear plan for the future? Is the student taking the appropriate type/number of classes for his/her ability and taking advantage of tutoring and labs available to him/her?
