2023-2024 FINANCIAL AID CONTINUATION OF FUNDING (MAX) APPEAL

♦ Federal and state financial aid is intended to assist students in making successful progress toward completing an eligible degree, diploma, or certificate. Therefore, the STUDENT bears the responsibility of demonstrating progress toward that goal. Determination of Satisfactory Academic Progress (SAP) is based on **cumulative attempted hours** and considers the student's <u>full</u> WNCC academic record <u>regardless of whether the student received financial aid funds during previous periods of enrollment</u>. The Financial Aid Office is also required to look at all previous periods of enrollment, including dual credit classes taken while in high school no matter how long ago the student was enrolled. Official transcripts from all previous institutions attended must be submitted to the WNCC Registrar prior to disbursement of Federal aid to determine credits for the maximum timeframe calculation. Satisfactory progress is evaluated at the end of every semester.

In compliance with federal financial aid regulations and WNCC policies, a student is ineligible to receive federal financial aid, including student loans, if he/she meets any one of the following conditions:

- **SUSPENSION:** Failed to successfully complete at least 67% of overall credit hours attempted and/or failed to achieve a minimum 2.0 cumulative grade point average (GPA).
- MAX: Attempted more than 150% of the credit hours required for completion of chosen degree program, INCLUDING TRANSFER HOURS.

A student who experienced extenuating circumstances that created the suspension (usually something beyond the student's control) may petition for reinstatement of eligibility by completing the procedure outlined below. There is a limit of appeals allowed; further appeals will be accepted at the discretion of the Appeal Committee and only if the criteria established in the academic plan and the agreement conditions are met.

Appeals should be submitted as soon as possible following notification of suspension, but NO LATER THAN MIDTERM OF THE SEMESTER FOR WHICH THE STUDENT IS REQUESTING AID.
