2. Student Conduct & Expectations

WNCC promotes learning by engaging students, advancing scholarly inquiry, cultivating critical thought, and creating knowledge. To foster an environment in which this mission can be realized, certain expectations must be placed upon each member of the college community. These expectations are non-negotiable and are monitored diligently.

Individuals have the right to their own beliefs and values, but they share a responsibility to accept the consequences for failing to live up to the standards of the institution. All students bear a responsibility to understand the policies governing their behavior as set out in the Student Handbook. The college's policies on alcohol and illegal drugs are defined below; however, all students should be familiar with the entire code. ([Board Policy 500.3900.14](#))

Drug & Alcohol Policy

The College affirms its responsibility and commitment to maintain an alcohol- and drug-free campus. The College is obligated to provide an alcohol- and drug-free, safe, healthy, and secure campus for students and employees. ([Board Policy 500.4000.79](#) & [Board Policy 500.4050.07](#)). College policy prohibits the consumption, possession, and distribution of alcoholic beverages on College Owned property. This action is also a violation of Nebraska State Law. ([Board Policy 500.3900.14](#))

The college prohibits the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances on College property or while conducting College business off-premises. Any employee convicted of a criminal drug offense under the above conditions is subject to appropriate personnel action up to and including termination or satisfactory participation in a drug rehabilitation program.

In accordance with Nebraska State Law (§ 53-186) the College prohibits the use, possession, or sale of alcoholic beverages in any form on college property, whether leased or owned. This includes but is not limited to disruptive conduct that directly results from the usage and consumption of alcoholic beverages or alcoholic based substances. This policy also includes students who are of legal drinking age, and they will be held accountable for violations of this policy.

Individual students and groups are responsible for their actions. College policy follows Nebraska State law, violations of the alcohol policy or disruptive conduct resulting from the use or College authorities, civil authorities, or both will deal with suspected use of alcoholic beverages. Alcoholic beverages or containers found in student residences will be confiscated by Authorized College personnel (hereinafter "ACP"). If a resident or visitor is found in possession of an alcoholic beverage or container, a notice of violation concerning the offense will be issued. Please note: Students in or near the area where alcohol is being possessed or consumed may be cited and held accountable for possession of alcohol regardless of whether the student is consuming alcohol.

WNCC assigns sanctions to students found responsible for violating policies. The goal of sanctions is education from a restorative approach. The sanctions outlined below are a guideline and assigned sanctions may differ based on many factors including community impact, student needs,

and severity of the situation. A student or guest in violation of the WNCC Alcohol Policy may face the following sanctions:

- 1st Offense
 - Documentation for the violation of College Policy (Alcohol)
 - A written warning
 - Potential referral to local law enforcement, which could include additional sanctions through the judicial system.
 - Project or paper on the impacts of alcohol on self, goals, and community
 - Required to complete an Alcohol education/assessment course
- 2nd Offense
 - Documentation for the violation of College Policy (Alcohol)
 - Probation
 - Potential referral to local law enforcement, which could include additional sanctions through the judicial system.
 - Referral to the Office of Student Life to meet with the Dean of Students or designee
 - A letter may be sent to the resident's parent(s) or legal guardian.
 - Student could face suspension and eviction from College Housing for multiple alcohol violations or failure to comply with sanctions

Students who are of the legal drinking age will be held accountable for action which violates the College alcohol policy and will be subject to the above disciplinary sanctions or similar.

College policy prohibits the consumption, possession, or sale of controlled substances and/or the presence of persons under the influence of controlled substances on College property, whether leased or owned, and on the specific premises of College sponsored or supervised off-campus functions.

Conduct covered by this offense includes but is not limited to: Manufacture, distribution, sale, offer for sale, possession, or use of any illegal drug or narcotic, including but not limited to barbiturates, hallucinogens, amphetamines, cocaine, opium, heroin, or marijuana; Misuse or abuse of legal drugs or narcotics; Possession of a device (drug paraphernalia) that has been used to ingest an illegal drug or narcotic.

Violations of this policy may be referred to law enforcement and the Students/guest(s) will face disciplinary sanctions. Residents are in possession of a drug or illegal chemical if they are in a room where the items are discovered, regardless of whether the Student is consuming the chemical.

If drugs or drug paraphernalia are found in any room the Student(s) responsible may be removed from College Housing. Residents who have guests in violation of this policy may refer to the "visitation" section of this manual for guest liability.

Discrimination (Bullying /Hazing/Acts of Intolerance)

WNCC is committed to providing a college environment free from illegal discrimination. Specifically, College students and/or employees, shall not participate in any harassment, discrimination or retaliation based on any protected class status of individuals as covered by

College policies.

As such, no College student or employee shall engage in discrimination, harassment, or retaliation toward a College student or employee of the College.

Examples of prohibited conduct include, but are not limited to, the following:

Sexual harassment, defined to include unwelcome sexual advances, requests for sexual favors, and other verbal, physical or visual unwelcome conduct of a sexual nature.

Harassment or discrimination is defined to include verbal, physical, or other conduct of a nature, which is offensive to a person on the basis of race, color, national origin, disability, sex, and age.

Retaliation against any person for filing a charge or complaint of prohibited conduct.

Retaliation against the respondent in a charge or complaint of prohibited conduct.

Prohibited harassment or discrimination includes any conduct or behavior of an inappropriate nature where:

Persons violating this policy will face strict discipline up to and including suspension, expulsion, or termination. Any person believing that they have been subject to prohibited harassment, discrimination or retaliation as set forth in this policy may file a complaint utilizing the College's Discrimination, Harassment, or Retaliation Complaint Operating Procedures.

WNCC will not condone or tolerate any actions which could be considered bullying or hazing regardless of if it is physical in nature or not. College policy defines Hazing "as an act which endangers the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with, or as a condition for continued membership in, a group or organization. The express or implied consent of the victim will not be a defense. Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this rule." (Board Policy 405.0100.14 & Board Policy 500.3800.14)

Drones

It is not permissible for individual students, faculty, staff, or outside entities to operate unmanned aircraft/drones on the WNCC campus, interiors, or exteriors without the express written consent of WNCC. Local, state, and federal certified law enforcement agencies and first responders are exempt from this provision.

Due Process

A Student who has been documented for a violation of College policy has the right to be heard

concerning the violation. The Student may appeal the decision from the College. The purpose of the appeal is to provide the student with the opportunity to bring forward questions regarding substantive or procedural errors that occurred during the process. Note the appeal process is not intended to grant a new hearing at a higher level; additionally, dissatisfaction with a decision is not grounds for an appeal. Please reference the Student Handbook for the full student conduct process.

Visitation

The College encourages socialization and a friendly, congenial atmosphere. However, to respect the rights of all students and to provide a measure of privacy and security, there is a limitation placed on visitation and open hours. The College believes that the guiding principle in establishing and regulating open hours is rationality.

Students who live in the residence halls are allowed and encouraged to visit one another. Each residential student must scan their ID to enter the residence hall. Residential students are not required to sign in at the desks.

Students who live off campus and non-student visitors are required to sign in at the desk, leave a valid ID, and be always escorted during their visit to the residence halls. If no one is working the desk, the visitor must call the on-call phone to sign in at the desk and leave their ID.

The following regulations are to be observed: Visitors, residential or not, are permitted to stay overnight for 3 nights consecutively and 9 nights total per semester.

People on college visits must have pre-approval to stay in residence halls. The person must be sponsored by a responsible resident host provided by the sponsoring department. Residents are responsible for the behavior of their guests. If resident's guests violate WNCC policies, the resident under which these guests are signed in will be sanctioned for the conduct along with the guest themselves. Visitors who violate policy may be immediately removed from the residence halls. **Visitors are NOT allowed over vacation periods.**

Accommodations

WNCC recognizes the importance of providing reasonable accommodations in its housing policies and practices where necessary for individuals with disabilities to use and enjoy College housing. The Dean of Students Office is responsible for evaluating whether to grant or deny requests for reasonable accommodation in College housing. In evaluating the request, the Dean of Students or their designee will determine whether the requested accommodation is necessary and reasonable. Individuals with a disability who reside or intend to reside in College housing who believe they need a reasonable accommodation must submit an official accommodation request online:

been provided and approved before the resident can bring the animal to campus or have the animal in campus housing. Residents may not bring their animal to campus prior to approval from both offices. The resident will be responsible for caring for, grooming, and cleaning up after the animal, as well as any damages to the room caused by the animal. ESAs are only allowed in the resident's personal room and outside; they may not be in common areas, classrooms, or other residents' rooms.

Any person found responsible for sprinkler tampering will be responsible for the cost of damages.

Health and Safety Checks- Confiscated items

Throughout the semesters, Health, and Safety Checks (HSC) will take place within the individual rooms and living quarters to ensure that proper cleanliness guidelines are being met. When HSC are planned, a notice will be placed in the halls with 24-hour notice of the check. Residence Life Staff will perform the HSC. The HSC can take place any time throughout the day and the resident(s) does not need to be present.

If the resident(s) fails the initial HSC, a list of what needs to be fixed will be provided and the resident(s) will have 24 hours to meet the requirements. Residence Life Staff will then recheck the room in question. If the resident(s) fails the recheck, a fee will be charged to the resident(s) at a rate of \$25.00 per day until requirements have been met.

Residence Life Staff will confiscate prohibited items. Residents have 14 days to pick up items and they must be taken off campus at that time. Possession of prohibited items will result in a housing violation.

All students residing in the halls are responsible for their respective commons area. This area will be included in the HSC. If a common area fails the initial HSC, all residents in that respective hall

will be charged a fee of \$25 per day until cleaning takes place.
